Commissioner for Patents

The Petition to revise the application 10/036,893 was GRANTED on Jun 01, 2005.

The decision is stated (on page 2) as following:

Petitioner requests that the application be revived for copendency with a concurrently-filed continuation-in-part (CIP) application. A review of Office PALM records reveals that CIP application No. 11/065,784 was filed on 25 February, 2005. Since this application is revived for purposes of continuity only with continuing Application No. 11/065,784, filed on 25 February, 2005, and since continuity has been established by this decision reviving the application, the application is AGAIN ABANDONED in favor of the above-referenced application (i.e., 11/065,784).

Thus, there is NO further prosecution on the merit for this application (10/036,893) and the status of this application is again ABANDONED in favor of the CIP 11/065,784.
